Amendment Y (Constitutional)

Shall there be an amendment to the Colorado constitution concerning a change to the way that congressional districts are drawn, and, in connection therewith, taking the duty to draw congressional districts away from the state legislature and giving it to an independent commission, composed of twelve citizens who possess specified qualifications; prohibiting any one political party's control of the commission by requiring that one-third of commissioners will not be affiliated with any political party, one-third of the commissioners will be affiliated with the state's largest political party, and one-third of the commissioners will be affiliated with the state's second largest political party; prohibiting certain persons including professional lobbyists, federal campaign committee employees, and federal, state, and local elected officials, from serving on the commission; limiting judicial review of a map to a determination by the supreme court of whether the commission or its nonpartisan staff committed an abuse of discretion; requiring the commission to draw districts with a focus on communities of interest and political subdivisions, such as cities and counties, and then to maximize the number of competitive congressional seats to the extent possible; and prohibiting maps from being drawn to dilute the electoral influence of any racial or ethnic group or to protect any incumbent, any political candidate, or any political party?

11151

Amendment Z (Constitutional)

Shall there be an amendment to the Colorado constitution concerning a change to the manner in which state senate and state house of representatives districts are drawn, and, in connection therewith, reforming the existing legislative reapportionment commission by expanding the commission to twelve members and authorizing the appointment of members who possess specified qualifications; prohibiting any one political party's control of the commission by requiring that one-third of commissioners will not be affiliated with any political party, one-third of the commissioners will be affiliated with the state's largest political party, and one-third of the commissioners will be affiliated with the state's second largest political party; prohibiting certain persons, including professional lobbyists, federal campaign committee employees, and federal, state, and local elected officials, from serving on the commission; limiting judicial review of a map to a determination by the supreme court of whether the commission or its nonpartisan staff committed an abuse of discretion; requiring the commission to draw state legislative districts using communities of interest as well as political subdivisions, such as cities and counties, and then to maximize the number of competitive state legislative seats to the extent possible; and prohibiting maps from being drawn to dilute the electoral influence of any racial or ethnic group or to protect any incumbent, any political candidate, or any political party?
